RAY! BEHIND YOU!

SHRAKK

BACK OFF, DARK CLAW!

NNNGH!

I OWE YOU ONE, MR. X!

WE ALL OWE MARINER.

RAY, WE HAVE TO MAKE A DIVE! DRIVE THE JLA AWAY-- BEFORE THEY CAN GUESS OUR DESTINATION!

KISS YOUR POWERS GOODBYE, GOLIATH!

RUNAWAY-- WE WERE FRIENDS!

"WERE."

AAAGH!

I-- I DIDN'T WANT THIS!

NONE OF THEM DID-- AND IN AN INSTANT, ALL COMBAT FREEZES...

...AS CAPTAIN MARVEL DIVES DESPERATELY TO SAVE HIS TEAMMATE,

BLAST IT! DO YOU SEE WHAT YOU'VE DONE?

WHAT WE'VE DONE?!

YOU IMPRISONED AN INNOCENT MAN SO YOU COULD TURN HIM OVER TO THE MUTANT HATERS! WHAT ELSE COULD WE DO BUT PROTECT OUR OWN KIND?*

*IN THE NOW-CLASSIC JLA #122, OF COURSE!-- BASHFUL BRI.

HE'S ALIVE!
BUT HE NEEDS MEDICAL ATTENTION-- NOW!

YOU PLAYED YOUR PART WELL, ANGEL-HAWK.

THANKS TO YOU PROJECTING REAL PAIN INTO MY MIND, MR. X...

YEAH, THANKS A TON.

YOUR SECRET IS SECURE, WARREN.

NO ONE BUT ME KNOWS YOU ARE A MUTANT.

BE GLAD OF THAT.

THE TRUTH WILL OUT, QUICKLY, NOW...

AFTER ALL THE BATTLES I'VE WAGED TO PROTECT MY OCEANS FROM YOUR DEPREDATIONS... YOU SURFACE DWELLERS DISPLAY MORE COMPASSION THAN I'D HAVE GUESSED.

ARE YOU INCLUDING WHOEVER FRAMED YOU FOR TORCHING THOSE ROXXON TANKERS?

WE'LL GO WITH YOU, MAR-VELL! THERE'S BEEN ENOUGH DAMAGE HERE-- I WON'T SEE THE JLA DESTROYED BY THIS.

THERE'LL BE TIME TO CAPTURE MARINER LATER... IF HIS GUILT CAN BE PROVEN.

"... THE TIME IS AT HAND!"

MARVEL'S BLOW DAMAGED THE WAVECRUISER'S HULL. SUBMERGING MAY KILL US ALL. IF ANYONE WISHES TO LEAVE...

NO, MR. X. NO RISK IS TOO GREAT... IF IT MEANS FINDING THE ANCESTRAL HOME OF MUTANTKIND!

VERY WELL, MARINER! ARE YOU READY FOR ANOTHER MIND-PROBE? IT WON'T BE PLEASANT.

I'VE BEEN SEARCHING FOR THE LOST CITY OF MY PEOPLE FOR MY ENTIRE ADULT LIFE. NOTHING WILL STOP ME NOW.

LIKE A SEARCHLIGHT THROUGH CLOUDS, LIKE A KNIFE THROUGH TISSUE, THE MIND OF MR. X PENETRATES...

... SLICING THROUGH THE PAIN AND CONFUSION OF RECENT TRAUMA, SEEKING THE MEMORY OF THE PRIZE THAT STARTED IT ALL...

"... THE LEGENDARY PRIZE THAT MARINER FOUND... AND LOST TO AN ATTACKING SENTINEL... *"

... THE SERPENT CROWN!

THERE, MARINER! YOU HAD NO CHANCE TO STUDY IT BEFORE, BUT I'M GIVING YOU THE CHANCE NOW!

CAN YOU READ THE ENCODED CLUES... TO THE LOCATION OF ATLANTIS?

I CAN, XAVIER...

I CAN!

THEN IT'S TIME TO DIVE, BEA...

I KNOW, RAY. IF THIS IS TO BE THE LAST THING WE EVER DO TOGETHER, AT LEAST WE KNOW WE'VE HAD THIS SHORT TIME OF BLISS...

... AFTER ALL THOSE YEARS OF PAIN.

BANK

GOSH, THANKS, GUYS. NOW I'LL HAVE SOMETHING TO COMFORT MYSELF WITH...

JLX-PRESS

Dear Bri and Ali,

JLA #122 was a bolt from the blue!!

Way back in the now classic ADVENTURES TO ASTONISH #76, Mariner was stripped of the serpent crown—and thus the only clue to his long-lost homeland of Atlantis—it made sense that he zealously protect the very seas that hide his eldorado. Any inch of ocean might hold the key to his quest, so don't mess with the wing-foot wonder. But to see him now portrayed as an eco-terrorist who would destroy an oil tanker for revenge is mind-boggling! And to see half of his former teammates turned against him while the others are accused of complicity—! Say it ain't so!

When the mutant members of the JLA decided they couldn't stand by and see Amalgam's first mutant railroaded and crashed the trial to save him, you could have knocked me over with a feather from Angelhawk's pinions! That last page has to be the most shocking climax ever!

For more than the obvious reasons, I smell a fish. Obviously, the Anxious Mariner has been set up, but by who? If you remember back to that aforementioned ADVENTURES TO ASTONISH issue, it was a Sentinel who stripped our waterlogged hero of the Serpent-Crown during the battle for Dinosaur Island. It hasn't been mentioned lately, but that has to mean that the ever-bitter Will Magnus is somewhere in the picture. Is he the mysterious silhouetted figure we see cackling at the TV arrest footage on page 8? Let me be the first to mention him as a candidate.

And speaking of mysterious guys, what's the deal with this Mr. X? For years over in SLEUTH COMICS, he's been shown to be a ruthless power broker and master crook, but now he's the mutant's benefactor? Something weird has got to be up with this creep!

Suffice it to say I can't stand waiting another second for JLX to premiere and answer these burning questions. So hurry up, already!

Gary Littleton
Parker Center, NY

Well, Gar, you're holding JLX in your hands now. And we've answered most of your questions. Is this service, or what?!

Keep reading, partner, the Amalgam-Nation is taking over!

Gents,

You have some X-plaining to do.

For years the great debate at my comic shop was whether Apollo and Co. should X-size themselves from the JLA. There were enough dangling plot threads for the mutant members of the World's Mightiest

BRIAN'S BOOM BOX

Sure, this is the first issue of our mighty mutants in their own title, but this scintillating storyline has been cooking for months over in the super-hot pages of JUDGMENT LEAGUE AVENGERS. So what follows is a sampling of your megacool missives on the "Trial of Mariner" epic. Read on, Distinctive Ones!

Heroes to warrant their own adventures. Finally, I could stop holding my breath! I'd heard over the Internet that the JLX was making its way to the racks. Words can't express the great X-pectations I have for this book.

From the "getting carried away with enthusiasm" department:

1) Will Lord Nimrod and his X-tremists return to reveal the final secret of Firebird's origin? Is she from an alternative future, or was he just pulling our leg?

2) Now that she's been dumped by the JLA, will Runaway rejoin the Brotherhood of Injustice and her mother Ms. Tique?

3) When the rebel Skrull were driven from Mars by the Kree, one lone survivor fled to Earth. Any chance he could be the missing link to mutantkind's origin?

4) With her falling out with Super-Soldier, will Amazon lead the JLX?

5) How about guest appearances by Sunstorm, Spiderboy, Metamimic, Extreme Works and Speed Demon?

6) Can I get an advance copy?

Vincent Thomkins
Belvedere, Ont.
CANADA

Numbered questions, we LOVE numbered questions!

1) Sooner than later, count on it, Vince! Firebird won't wait for those secrets and neither will we!

2) No, she's with JLX to stay, but what Ms. Tique and her evil mutants will do about that will be seen in issue #6!

3) If you've read this very issue, you know the answer. Good spotting!

4) Amazon has her own problems currently, but she does guest-star here in our fourth issue.

5) Sunstorm IS a mutant, so his dropping by seems a foregone conclusion.

Spiderboy isn't on the guest list any time soon, but watch for his flyby in an upcoming FANTASTIC LEGION! Speed Demon and Mercury have a reckoning coming in the very near future. Metamimic may already be here. How would we know for sure? And you gotta know that Extreme

Works won't let the X-ers remain unchallenged for the title of Amalgam's most radical heroes for very long.

6) Hey, they won't even give ME advance copies!

You ask—we answer!

Hey, Leaguers,

Mariner's return to greatness in the pages of JLA has been the greatest comeback since Dark Claw shook off his paralysis and took the evil Warlord Gh'ul out of the picture once and for all! I'm sure that the Son of the Seas' creator, Everett Williams, must be smiling down on all of you great artists and writers.

As a fan of more than forty years of comics reading, I'm always glad to see the "older" heroes get a chance at new life, especially when they're this well handled. I love what you're doing with Mariner AND with all of the younger heroes as well. They can stand to learn from his leadership in the same way that you guys obviously have from the classic greats of this business like Williams, Stan Schwartz and "King" Kurtzberg! Now, if only someone could give the long underrated Thunder Man a similar makeover!

Keep up the great work and I'll be with you for another forty years!

Earl Jarmon
Santa Marta, CA

We'll keep producing 'em if you keep reading 'em, Earl; consider it a deal. Thanks for the years of support!

As for the fate of the mighty Thunder Man, check out the pages of BRUCE WAYNE, AGENT OF S.H.I.E.L.D. in the very near future for a most surprising and, we think, pleasing answer to your wish.

NEXT: With Apollo gone missing, it's the worst time for Thanos to attack, so you'd better believe that's when the blackhearted baddie chooses to make his move! And when Magneto and his Magnetic friends drop by, will it be as friends or foes? Don't miss this startling second ish!
